## Embrace the Green Revolution

The *Knightdale HS Academy of Environmental Studies - KAES* - is currently accepting applications from rising Sophomores for 2011-12.

All Academy students receive:

- Preferential scheduling in recommended Academy courses.
- Seminars and field trips to emphasize environmental studies.
- Community service projects and activities to benefit our community.
- An opportunity to experience a "green" career before leaving KHS.

Whether you are interested in environmental issues or considering a future in a green career, KAES can help you make informed choices while providing a unique high school experience.

For more information about KAES, visit our information table during your lunch or:

Contact Geof Duncan, Career Academy Coordinator in Room 2515.
